

## Environment Setup

### Create Sendgrid Account

Team ID	PNT2022TMID02938
Project Name	Nutrition Assistant Application

The screenshot displays the Twilio SendGrid dashboard for user Pavithra Murugak. The left sidebar contains navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, and Settings. Below these is a 'Twilio SMS' section with a 'NEW' badge. A 'REPUTATION' bar is at 100%, and a 'VIEW ACCOUNT USAGE' link is present.

The main content area features a 'Welcome, Pavithra!' message with instructions to follow setup steps. A prominent blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, the 'Create a sender identity' section explains the need for a sender identity and offers two options: 'Create a Single Sender' (highlighted in a blue box) and 'Authenticate a domain instead'. An example email header shows 'Your Business' as the sender and '<jana.doe@your\_business.co to me' as the recipient.

A 'Send your first email' section follows, with a note: 'Please create a sender identity before sending you'. Below this is a 'Remove email sending limits' section.

The 'Finish your account setup' section indicates '2 out of 4 completed'. The final step, 'Select a paid plan', includes a note: 'Please complete the steps above to select a paid plan. In the meantime, you can explore API or Marketing Campaigns plans.'
